**W**elcome! We are delighted to have you visiting with us in our worship services, and hope that you will visit with us again. We trust that you will receive a warm welcome from each of our members, and that you will find our worship today to be faithful to the scriptures as we strive to worship in spirit and in truth (John 4:24). We hope that the notes below will help you understand us better and make you feel at home.

**Prayer.** During the worship service several of the men will lead the congregation in public prayers (Acts 2:42).

**Singing.** We will sing several songs and hymns together, led by one or more song leaders. These will be sung a capella (without the accompaniment of musical instruments). We sing in this manner because it follows the pattern of the early church and this is the only kind of music the New Testament authorizes for worship of the church (Ephesians 5:19).

**The Lord’s Supper.** We partake of the Lord’s Supper each Sunday following the pattern of the early church (Acts 20:7). In partaking of the Lord’s Supper we remember the Lord’s death until He comes again (I Corinthians 11:23-26).

**Giving.** We give to the work of the church each first day of the week (I Corinthians 16:2), knowing that God has blessed us richly. The church supports many good works that require financial support.

**Bible Study.** We engage in Bible study, primarily through preaching of the Word, but also through Bible reading and direct teaching (II Timothy 4:1-2).

At the close of the sermon, there will be an invitation to those present to respond by either becoming Christians, being restored to fellowship, or seek the prayers of the church.
